

The completion of the Sacred Mayan Calendar 8th & 9th Levels

This is a diagram of the 8th Level seen as a large Tzolkin of 260 x 18 days = 4680 days (or 360x13) from 5th Jan 1999 to 28th Oct 2011 when all 9 levels converged to complete together at the top of the Pyramid of Creations Time. Each 360 day Tun equals 20 x 18 days & equates to a large Uinal & each 234 days equals 13 x 18 days & equates to a large Trecena. This diagram also depicts the 9th Level of 13 x 18 days = 234 days that started on the 9th of March 2011. The 9th Universal Level is 20 x smaller than the 8th Galactic level, our consciousness has transcended to the top 9th level, time feels as if it is speeding up, the frequency is condensed to allow for things to happen quicker than ever & this is why the world has changed so much over the past few years especially since 2010 when the shift prepared us for a death of the old world and a birth of the New World.
